Glossary

In this Request For Proposals, the meanings of terms and abbreviations are as listed below:

<u>anatomical waste</u>	- as defined in Section 4.01.
<u>BCHA</u>	- British Columbia Health Association
<u>BCHAA</u>	- British Columbia Health Administrators Association
<u>BCHSL</u>	- British Columbia Health Services Limited
<u>Bidder</u>	- the submitter of a priced proposal for a biomedical waste system in response to this RFP.
<u>biomedical waste</u>	- as defined in Section 4.01.
<u>BWSPC</u>	- Biomedical Waste System Planning Committee
<u>bottom ash</u>	- the solid residue removed from the bed or hearth of the primary combustion chamber of a waste incinerator after substantial completion of combustion.
<u>CCME</u>	- Canadian Council of Ministers of the Environment
<u>CCREM</u>	- Canadian Council of Resource and Environment Ministers
<u>Contracting Agency</u>	- the agency selected and appointed by the Province and GVRD to administer a contract for a Biomedical Waste Collection, Treatment and Disposal System resulting from this RFP.
<u>Contractor</u>	- the Bidder who is selected and receives a contract to provide a Biomedical Waste Collection, Treatment and Disposal System.
<u>CSA</u>	- Canadian Standards Association
<u>decontamination</u>	- the process of removing disease producing microorganisms and rendering an object safe for handling.
<u>designated engineer</u>	- a consulting engineer acting for the Province and GVRD.

<u>disinfection</u>	- a process that kills most disease-producing microorganisms but rarely kills all spores. Disinfectants are used on inanimate objects.
<u>disposal</u>	- the delivery of residues from the treatment or incineration of waste to appropriate landfill and sanitary sewage facilities.
<u>emissions</u>	- the gases discharged to the atmosphere from an incinerator or treatment facility.
<u>fly ash</u>	- particulate matter removed from combustion flue gases.
<u>generator</u>	- the facility which produces the waste.
<u>GVRD</u>	- Greater Vancouver Regional District
<u>GVRHD</u>	- Greater Vancouver Regional Hospital District
<u>GVS&DD</u>	- Greater Vancouver Sewage & Drainage District
<u>HCSW</u>	- health care solid waste consisting of the total solid waste from hospitals excluding kitchen waste and office waste.
<u>MOE</u>	- British Columbia Ministry of Environment
<u>MOH</u>	- British Columbia Ministry of Health
<u>MSW</u>	- municipal solid waste
<u>Province</u>	- the Government of British Columbia
<u>sharps</u>	- as defined in Section 4.01
<u>sterilization</u>	- a process which removes or destroys all microorganisms on a substance.
<u>special waste</u>	- waste other than biomedical waste requiring special handling, treatment and disposal because of its composition and characteristics, as defined under B.C. Regulation 63/88, the Special Waste Regulation.
<u>TDGA</u>	- Canadian Federal Transportation of Dangerous Goods Act
<u>transfer station</u>	- a site used for transferring waste from one vehicle to another for transportation to a treatment and disposal facility.

waste treatment - incineration, sterilization or disinfection of biomedical waste.

Universal Precautions - a policy where all human blood, blood products and body fluids are considered infectious.
